"We Have The Keys To Your Happiness"

Eastlake Village is located in a picturesque residential area. Whether you are looking for a convenient location for work or leisure, we have you covered. Our community offers easy access to major highways, such as I-240, I-35, and I-44, allowing for quick commutes to popular destinations. Additionally, you'll find a variety of dining and shopping in South Oklahoma City or Moore. We are, as well, located in Moore Public School District.

We offer 1 and 2 bedroom floor plans. We have upgraded apartment homes that include: black appliances, new faux marble countertops, new fixtures and flooring. Every apartment home has a stackable washer and dryer, wood burning fireplace, patio or balcony with an outside storage closet. We also have a storage facility that is available to our residents at a discounted monthly rate.

We have the keys to your happiness, relax you're home now!

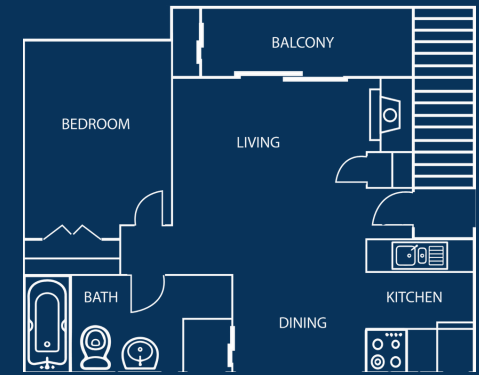

NPMA is a family owned and operated organization for over 50 years that owns and manages quality apartment communities. Each property is managed by dedicated professionals committed to the needs of our residents while maintaining the long-term viability of each property.
